

"Integrated Solutions. Enduring Assets"

Quality Policy

WESMAR Pty Ltd and its related companies are committed to maintaining alignment with the AS/NZS ISO 9001 Quality Management System to provide and control conformity of services and products, enabling us to meet and exceed the needs and expectations of our people and clients. This will be achieved through an integrated process and systems approach by:

- Providing a safe work environment with a proactive Safety Management System for the early identification of potential risks or hazards to reduce the likelihood of accident or injury.
- Conducting operations in compliance with regulatory and statutory environmental guidelines and requirements.
- Ensuring all staff embrace the WESMAR culture of continuous improvement of services, products and client satisfaction
- Setting realistic objectives and targets which are measurable against the strategic plan.
- Maintaining and improving customer communication, focus, satisfaction levels, knowledge, and understanding of our range of products and services.
- Encouraging innovative product, service, and process development throughout WESMAR, while actively promoting our range of services and products to current and potential clients to encourage and sustain growth.
- Continuously monitoring and evaluating activities to enable the identification of opportunities for improvement.
- Planning and monitoring financial, contract, and supply activities to ensure the long-term involvement and profitability of all stakeholders.
- Striving for best practice and continuous improvement to maintain our sustainable competitive advantage of being the best team in the industry for quality performance.

QUALITY IS THE RESPONSIBILITY OF EVERY WESMAR EMPLOYEE, CONTRACTOR AND SUPPLIER.
